

## **Accent XL & Spa RF**

Radio-Frequency Volumetric Thermo-Therapy  
Body Contouring, Skin Tightening, & Fat Melting  
Recommended Pricing

**Equipment Rental**  
**\$750 Flat Fee plus tax**

Pricing includes combination use of **bipolar and uniLarge modules** on the Accent Radio-Frequency Medical Laser System. The average rate is \$350-\$750 per body part or area. **The patient will need a minimum of 6 treatments on each area.** Please only change your prices by +/- 10% if the baseline pricing options below need any changes.

If you are in a competitive skin tightening market, you are welcome to adjust your pricing higher or lower to be competitive. Please note this may adversely affect your total revenue for the day.
