

## **Nd:YAG Leg Vein & Vascular Lesion Recommended Pricing Guideline**

### Vein and Vascular Lesion Removal

**Per 15 minutes of treatment \$ 200 - \$250**  
Or small segment of veins

### Treatment Time

Small area	0 – 15 minutes
Medium area	16 – 20 minutes
Large area	21 – 30 minutes
Extra large area	31 – 45 minutes

Educate the patient that spider vein or vascular treatment usually take 1-3 sessions in case the veins refill or don't resolve in the first treatment. You should tell your patients to wear support garments or stocking on lower extremities to prevent or slow down vessel changes post-laser.
