Laser Partners of Oklahoma Minimum Charges to Physician -

Test Spot	\$100 minimum
> 20 pulses	\$200 minimum
Plus \$2.00 per additional pulse	

Physician Charges to Patient -

**Minimum of \$200 per patient
Plus \$4.00 per pulse > 20 pulses
Most charges range \$300-400**

You are welcome to charge according to your market or patient population.

Many vascular treatments range from \$250-\$500 per case.

i.e. #1 – full face Rosacea \$350-400

i.e. #2 – cheeks only \$250

i.e. #3 – nasal vessel or a few individual facial veins \$200-250

The dye-kit inside the laser is a consumable and our pricing is generated based on national rental company rates. You may also revert to the flat rental fee for one day, one laser rental charge, whichever is lower. See rental price sheet for these pricing options.
